1	SFCC Bonding Continued 2018	\$91,000,000
----------	------------------------------------	---------------------

This authorization is the main stay of the SFCC's program to provide debt service assistance to individual school districts based on their facility needs, in accordance with facility inventories and available local resources. This authorization will allow the Commission to participate in financing major renovations for existing school facilities or constructing new facilities based on the priority ranking in the district's facility plan. The portion of the total debt service allocated to each district is based upon the formula established in KRS 157.622. (GL)
